

BIRTHDAY PARTIES

Welcome to our Forest School Birthday Parties!

A unique and relaxed way to celebrate your child's special day awaits! Our parties offer children the perfect chance to connect with nature, explore, and enjoy lots of outdoor fun. Focusing on free play and child-led activities, our gatherings let children discover, imagine, and embrace getting delightfully muddy!

Whether the occasion involves young children under five or older participants, each party is specifically designed to suit the age group. A variety of engaging activities are provided, and a dedicated team member is available to offer inspiration and guidance throughout the event.

We provide an ideal secure woodland environment where parties take place in all weather conditions except during high winds or storms, ensuring you'll always find enjoyable activities outdoors. Don't forget to pack waterproofs, wellies, and extra clothing—getting muddy is part of the adventure!

We can't wait to help make your child's birthday one they'll never forget.

Some last bits to remember:

What to bring to your Forest School Party

To make sure everyone has the best time at your party, please remember to bring:

- A full set of waterproofs and wellies
- Long trousers and long sleeves are essential all year round to help protect from cuts, grazes, bites and ticks
- A spare set of clothes as we can get quite messy!

Your party will last 2 hours, we ask everyone to arrive 10 minutes early to go over some safety rules before we have lots of fun! If you have a party for over 5s we will come together after one hour of play to make our woodwork crafts. We will gather around the fire half an hour before the end for our campfire snack and to sing happy birthday!

We ask for £50 non-refundable deposit paid upon booking and the remainder paid at least two weeks before the event. We run parties in all weathers, except for high winds or thunder and lightning. If we need to cancel due to unsafe weather, we'll reschedule your party at no extra cost, unfortunately we are unable to offer refunds if you choose not to reschedule.

On booking, please let us know:

- The date you require and time
- The theme your child would like
- Approx amount of children attending and age range

We will then respond to your email with a date when confirmed, a terms and conditions and consent form to hand to others attending, our mobile number and pay details to make your deposit.
